ABOUT US:

Udyami Solutions, a division of Blue Santos Technologies Pvt. Ltd., we are dedicated to empowering entrepreneurs with the support they need to succeed. With over a decade of expertise, we guide startups and established businesses through the complexities of business registrations, MSME schemes, and financial consulting.

Led by our visionary CEO, Mr. Narendra Kumar B, a respected District Resource Person (Bangalore Urban) for the PMFME Scheme, we provide personalized, expert assistance. Our core services include facilitating secure bank loans, guiding you through state and central subsidy applications, and helping you establish a robust financial foundation for sustainable business growth.
